ELEFUN

1

INTRODUCTION

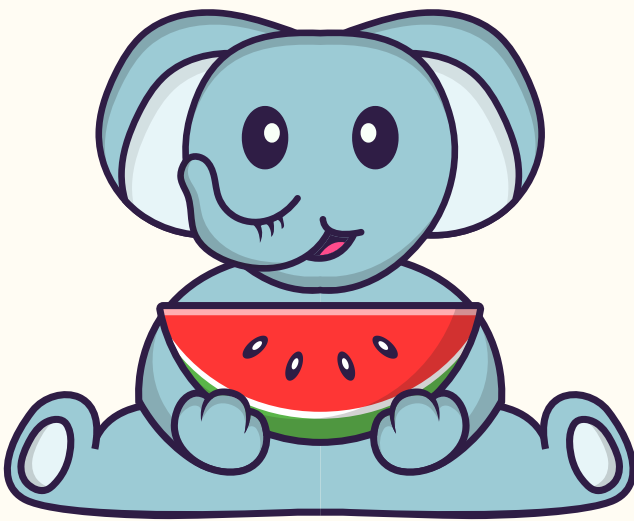

Welcome to our elephant sanctuary! We believe that the first contact with these majestic creatures is crucial. That's why we encourage our visitors to approach them with care and respect. Take your time to let the elephants catch your smell and feel your energy. Stroking and talking to them while looking into their eyes the best way to make them feel comfortable. Come and experience the magic of these gentle giants with us!

2

ELEPHANT FEEDING

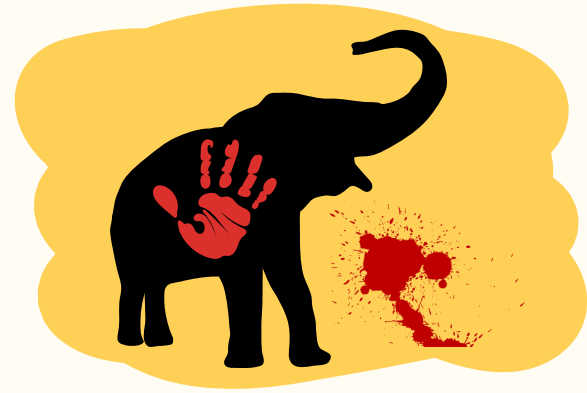

You can now experience feeding elephants and learn about their feeding habits. Spending an hour with these gentle giants will give you the chance to gain their trust and learn what they enjoy most - eating!

3

PAINT ON ELEPHANT

The colour we use here is water herbal based colour which are easy to put on and easy to wash away, keeping the skin of the elephant safe. The contact here we are talking about is more spiritual than physical. Let the elephant feel your positive energy. The most astonishing thing here is that to communicate with elephants there is a certain language that they understand very well.
